Gender-specific pronouns & political correctness

The fact that the feminine form is not written in this text (for example, his order, instead of his/her order), is not meant as a disrespectful act towards females. It is merely to make the text easier to read.

We therefore ask our female readers to forgive us for using the simpler form and would like them to know that they are also included in every way!

The services and billing of the Cashback World Partner Programmes are provided by mWS myWorld Solutions AG, Grazbachgasse 87-93, 8010 Graz, Austria. Commercial Register FN 389134g.
