Gender forms & political correctness

The fact that female forms are not mentioned in these texts should in no way be understood as showing disregard for the female sex, but it is rather that an older style is retained for greater ease of reading. We would ask female readers to excuse this simplification on our part and consider themselves addressed equally.

The services for the conclusion of the myWorld Partnership and the associated IT services are provided by myWorld International AG, Grazbachgasse 87-91, 8010 Graz, Austria. Commercial Register FN 389134g
